○ EDUCATION

Bachelor of Interaction Design
Norwegian University of Science and Technology (NTNU)
Aug 2022 - (Jun 2025))

One year programme - Web Design
Norwegian University of Science and Technology (NTNU)
Aug 2021 - Jun 2022

○ WORK EXPERIENCE

Internship | Norkart AS
UX Designer
Aug 2024 - Oct 2024
- Worked with UX design for KOMTEKT VA by applying various design strategies, iterating on prototypes and wireframes, conducting usability testing, and collaborating with developers to ensure successful implementation.

Summer Internship | Multiconsult
UX Designer
Jun 2024 - Aug 2024
- Designed solutions for Multipypsa, Multiplanner, and RAG-Bot System, informed by user research and insights. Created wireframes and prototypes, and iteratively refined designs based on user feedback to enhance usability and meet project objectives.

Collaboration Journey Project, BeNet | NTNU
UX Designer & Student Assistant
Jan 2024 - Jun 2024
- Exploring improvements in collaboration among students, mentors, and external partners through the project.
- Responsible for implementing new functionality, design, and further development of a functional prototype in Figma.
- Enhanced structure, flow, and communication on the Be-Net platform.
- Organized user testing and collaborated with the development team to implement improvements.

Vietnamese Student Association in Trondheim (VSAIT)
UX Designer
Oct 2023 - Jan 2024
- Redesigned VSAIT's application using UX/UI methodology for both web and mobile platforms.
